G-Metal Valves Corp.

# G-Metal Valves Corp.

As G-Metal Valves Corp's strategic partner, Minghan manufacturing facility has been in the water industry for over 17 years. Having as many as 70 workers and engineers, we have more than enough experiences and technical resources to maintain the high level quality of our products, our water hammer arrestors are certified by NSF, CUPC, AB1953, ASSE1010, also our factory has been successfully audited by The Homedepot, you will find our water hammer arrestors, ice maker and washing machine outlet box on the shelves of all U.S. major hardware retailers, Home Depot, Lowe's, etc. To offer the best quality products with fair prices is always our motto. Select us, you will find out you make the best move at the right time.
